Pallet Dynamics New Joiner Onboarding Guide

Welcome to Pallet Dynamics! This guide explains what to expect in your first weeks.

Your First Week

Day 1: collect your laptop and ID badge from IT, and complete HR paperwork. Day 2: meet your onboarding buddy, an experienced colleague from your team who supports you for your first 90 days. Days 3-5: team introductions and product walkthroughs.

Your laptop is provisioned within 2 working days of your joining date. Contact IT support at it-help@palletdynamics.example if it is delayed.

Mandatory Training

All new joiners must complete Security Awareness training and POSH (Prevention of Sexual Harassment) training within 30 days of joining. Engineers must also complete Secure Coding training within 60 days.

Probation

The probation period is 6 months. During probation the notice period is 15 days; after confirmation it is 60 days. Your manager holds a probation review in month 5.
